

PARTRIDGE

This impeccably designed ranch style home has something for everyone. If you like the feeling of spaciousness, you will love the open floor plan with the lofty vaulted ceilings.

If privacy matters, this plan features the master bedroom separated from all the other bedrooms. You will be pleasantly surprised at the abundance of kitchen cabinetry to include a built in planning desk for your convenience.

The Partridge features three bedrooms, two full bathrooms, great room, dining room, kitchen, all on one floor, plus attached two car garage.

NOTE: Floor plans and elevations subject to change. Elevations are artists' conceptions.
